

Public Sector Pensions

Public Sector Pension Schemes are pension schemes available to public sector workers e.g. civil servants, an Garda Siochana and public servants.

If your enquiry relates to your entitlement to a public sector pension we would recommend that you contact the HR/superannuation section in your organisation.

Irish Civil Service Pensions Information Centre

Further information on Civil/Public Service Pensions is available from the Department of Finance's Irish Civil Service Pensions Information Centre which includes a 'Pensions Modeller', website address provided below:
